CCSD PRIME 6 PROGRAM

Executive Summary
What is Prime 6?

- An educational initiative targeting students and schools in West Las Vegas.
- Implemented in the early 1990’s.
- Purpose:
  - Enhance learning opportunities in culturally and racially diverse school settings.
  - Increase school choice options.
Additional Prime 6 Funding

- Increases the instructional day
- Provides smaller class size
- Provides additional support, including:
  - learning strategist
  - campus monitor
  - teacher assistants
  - assistant principal
  - community enrichment activities, field trips, assemblies, and programs.
There are six traditional elementary schools in West Las Vegas area in the Prime 6 program:

- Booker Elementary
- Carson Elementary
- Fitzgerald Elementary
- Kelly Elementary
- McCall Elementary
- Wendell Williams Elementary

Kindergarten students living near these six schools attend their local area school.
There are also three magnet elementary schools in the West Las Vegas area:

- Gilbert Elementary
- Hoggard Elementary
- Mackey Elementary

Kindergarten students living near these six schools attend their local area school.
About Magnets

- All students in West Las Vegas, as well as students living in other parts of the District, are eligible to apply for admission to magnet schools.
  - Students residing in the school surrounding area who want to attend one of the magnet schools for grades 1-5 must apply.
  - 25% of first grade seats are set aside for those students who apply and live in the area.
About Magnets

- There is also a sibling preference
  - 25% of seats the available magnet seats are set aside for siblings
  - Younger siblings must submit an application to the magnet school to claim preference
- Students from this area who are not randomly selected as part of the 25% are part of the random lottery process for all remaining seats.
Choices

- Students in the West Las Vegas area who do not choose to apply to a magnet are assigned to a school outside West Las Vegas.

- Families also have choice opportunities:
  - Attend another P-6 school
  - Apply to attend another magnet program
  - Attend another school on a zone variance
  - Enroll in a charter school
